Revocation of Certificate

Dear colleagues,

Airbus Helicopters Deutschland GmbH (DE.147.0008) informed us about an erroneously issued certificate (DE.147.0008.MCC 135P3H/T3H/18/04/006568).

The certificate was issued to Jean-Michel Burgos (born 3rd of February1963 in Chambery) for a Cat. B1 Difference Training from EC135 to EC135 P3H/T3H.

The course was conducted from 16th of April to 27th of April 2018.

The certificate was issued on 27th of April 2018.

Mr. Burgos failed the theoretical examination and did not take part in the practical assessment. But by mistake he received a certificate for a successfully passed course.

Airbus Helicopters Deutschland GmbH informed us that this certificate is revoked.

Please do not hesitate to contact me if you have any further questions.

Sincerely yours

M. Kietzmann
